Unfinished Business

1. Lot 83 violation

Background: Letter hand delivered to homeowners on 1/18/26 stating compromise in regard to the chickens. Email message received from homeowner on 2/26 saying that their attorney is reviewing the matter and that they will respond after that review. Letter to homeowner sent on 3/23 giving them until 4/8 to accept the compromise or be assessed a \$125 fine. Response received 4/1 asking that the chickens be grandfathered in. HOACS sent letter to homeowner saying that, after consideration of their documents and the M&PC's, they are deemed to be in violation and must relocate the chickens out of the neighborhood. HOACS notified me on 6/10 that the Homeowner has requested a hearing in

accordance with ByLaw 7.6 & 7.11.2 and the POLICY FOR HEARINGS ON GOVERNING DOCUMENT VIOLATIONS.

Hearing was held and decision made to uphold the violation was sent to homeowners. Homeowner responded, not accepting the decision, threatening a lawsuit.

Action Required: See notes under Executive Session below

2. Dead Tree behind Lot 47

Background: Email received from homeowner of Lot 47 (Bracken) on 6/10 notifying us of a dead tree behind their property. Steve the Arborist looked at it and agreed that it needs to be removed. His proposal is \$2,454.75

3. Fence Request Lot 42

Background: Homeowner sent email requesting to build a 4ft iron fence enclosing the backyard

Action Required: Fences visible from the street must be 6-foot cedar fencing. Fencing not visible from the street may be determined by the homeowner. Homeowners should coordinate with neighboring property owners regarding fence placement and design.

Convene to Executive Session – [7:00]

Estimated Executive Session Duration: 15 minutes

Discussion surrounded around spending HOA funds fighting this issue. The BOD believes that the homeowners are in violation, but, would we prevail in court was the question. We decided that given advice from our attorney that we might not prevail, we decided to not pursue the matter any further.

Reconvene to Open Session – [7:15]

Bruce made a motion to discontinue/rescind the violation notice regarding poultry located in lot 83's backyard. Second: Chris

Vote: Motion passed, 3-1.
